

Resort Description

Every place tells a story. At Aulani, Disney has created a very special resort and spa that tells the story of Hawai'i through inspired architecture, distinctive design and connection to its island home, creating a unique and remarkable sense of place that unites visitors in a shared experience of pure Hawai'i.

Location

On the Wai'anae Coast of O'ahu, sheltered by mountains to the north, Ko Olina is a secluded paradise in a beautiful island setting, yet close enough to Waikiki and Honolulu to enjoy the shopping and activity there. Ko Olina is legendary as a source of inspiration to travelers. A place of breathtaking natural beauty where it's said that the goddess Pele visited to re-energize after traveling, Ko Olina was also a sacred place of renewal for Kamehameha the Great and his wife, Ka'ahumanu. Today, Ko Olina is known for its crystal-blue lagoons, wide sandy beaches and cool island breezes, perfect for visitors and residents who call Ko Olina home.
