

2017 SUMMER QUICK-SERVICE MEAL OFFER

This guide provides details on how to redeem the Quick-Service meals included in the special Summer Meal Offer, which consists of one (1) Quick-Service meal per person, per night of your vacation package stay for everyone in your party over the age of 3.

Redeeming your meals

Each Quick-Service meal includes:

- **One (1) Entrée**
- **One (1) Nonalcoholic Beverage**

Your meals begin after you have been checked in at your *Disney Resort* hotel.

You can redeem your meals and snacks in any order during your stay, until the number of meals and snacks associated with your package has been depleted.

All unused meals and snacks expire at midnight on your package reservation checkout date.

How to use your dining plan

It's easy as 1-2-3 to redeem a meal or snack!

- 1. Present your valid *Disney Resort* ID (either a *MagicBand* or card) to the server or cashier**
- 2. Specify the number of meals or snacks being redeemed**
- 3. That's it! Enjoy!**

When dining with another party that is also using their *MagicBand* or card to redeem their meals, please notify the server which meals should be redeemed on each valid *Disney Resort* ID. Guests ages 3–9 must order from a children's menu, where available.

Tracking your meals

Your dining plan usage is tracked electronically to your reservation.

Keep track of your entitlements in two ways:

- 1. Check your receipts.** Remaining entitlements are printed on your dining receipts.
- 2. Ask your Resort Concierge or Guest Relations.**
You can contact them anytime to obtain your remaining entitlements.

Special dietary requests

Guests may speak with a chef or manager upon arrival at the dining location.
